

# PHARMACY DISCOUNT SAVINGS PROGRAM

As the rising costs of health care impact Farm Bureau Members, California Farm Bureau Federation is pleased to announce a Pharmacy Discount Savings Program as another benefit for Farm Bureau members. The Program is offered by Creative Benefit Designs through a network of pharmacies called Bioscrip as a no cost opportunity for you to enjoy significant savings on over 12,000 prescription drugs.

- Honored at over 5,500 California pharmacies
- Good for over 12,000 FDA Approved Drugs
- Valid for both name brand and generic drugs
- One card serves your entire household
- No fees. No enrollment. This Program is a benefit of your Farm Bureau membership.

## How to Enroll

Complete the information on your Pharmacy Discount Savings Program Card identifying you as a Farm Bureau member eligible to participate in this Program. Take it to a participating pharmacy with your physician's written prescription. Ask the pharmacist to enroll you in the Bioscript system (formerly Scripsolutions).

For additional cards, (available in English and Spanish) call our member help desk at **800-698-FARM(3276)**.

## Prescription Savings

Your pharmacist can check the discounts available to you. The discounts range from 5 to 35%, depending on the type of drug and brand name.

This Pharmacy Discount Savings Program cannot be combined with prescription insurance, Medicare cards or other discount programs. The Pharmacy Discount Savings Program is not an insurance plan.

## Finding a Participating Pharmacy

Major pharmacies accepting your Pharmacy Discount Savings Program Card include: Raley's, Costco, Ralphs, Safeway, Walmart, Rite Aid, Longs, Sav-on, Walgreens, Target, and others.

To locate a pharmacy near you, call the Pharmacy Helpline at 888-299-5383 or view our website at [www.cfbf.com/benefits](http://www.cfbf.com/benefits) for all of the California pharmacies enrolled in the Scrip Solutions program. If your independent pharmacy is not listed, but would like to enroll, they may call the Pharmacy Helpline to join the pharmacy network.

## Prescriptions by the Web or Mail

After you enroll at a participating pharmacy and order your first prescription from the pharmacy, you may choose to order your prescription by web or by mail. Call 1-800-677-4323 and choose Option 4 to access web or mail order service.
